Cody has a reminder of the Youth Fund Raiser for February 10 elsewhere in this newsletter but I want to put in a plug for it too. The fundraisers are important for our youth because they raise money that allows all our young people to attend Christian events that they could not afford otherwise. Your participation makes a BIG difference. All you have to do is eat lunch here at church on February 10 and make a generous donation to our kids!

Many of you have expressed a wish that you could/would know your Bible better. I lead a Bible Study on Sunday evenings in which we are studying the book of Luke. That's at 6pm every Sunday. On Wednesday we are studying I John. Instead of just wishing you knew God's Word better why don't you invest some time and effort in learning God's Word. Either or both of these opportunities will greatly benefit you.

VERSE OF THE MONTH

"Take My yoke upon you and learn from Me, for I am gentle and humble in heart and you will find rest for your souls. For my yoke is easy and my burden is light."

Matthew 11:29-30

QUOTE OF THE MONTH

"Rest for the soul is the most desirable rest. It affects not only our spiritual health, but our emotional and physical health as well. The only way to receive this rest is to sit at Christ's feet and hear His word, to take the time to learn more about who He is and what He is like."

~Diane Head~

February is an exciting month for the youth here at Evers Road.

First, we will be having a pizza & game party here at Evers on Feb 2nd for the middle & high school students (4p-8p). It's free and should be a lot of fun.

On Feb. 10th we will be having our first fund raiser of the year, a Valentine themed spaghetti lunch.

Come and be served by our students a delicious lunch and help donate toward their summer trips.

Last on Feb. 16th – 18th we are having our middle school and high school mid-winter retreat at HEB camp. The price is \$45 and there is still time to sign up so make sure to check with me to get your registration forms if you are interested.

MISSIONS:

GOOD NEWS PRODUCTION INTERNATIONAL

GNPI has grown to include 13 regional centers and Nomad teams. We've produced visual and audio media in more than 100 languages and shared the gospel with millions of people worldwide. With the growth of internet technology and social media, we're also developing platforms and strategies for engaging with different cultures and worldviews online.

Whatever the method, whatever the strategy, our goal is the same. GNPI exists to preach the good news to every tribe and tongue, in the way that is most meaningful and relevant to each of those people groups.

THE GLOBAL GOSPEL This short video series presents the gospel through vivid illustrations of the life of Christ. We've made this resource available in 31 of the world's most widely spoken languages, with more to come.

SOLAR KITS Over 600 Solar Kits have been distributed in 50 countries around the world, allowing thousands to see a visual presentation of the gospel and to hear this message in their own language.

MOBILE APPS We're developing mobile apps that allow us to share the good news with Buddhists, Hindus, and Muslims across the globe.

GROWING NETWORK We've built a network of eight regional centers and multiple Nomad teams stationed around the world, and we're still finding ways to share the gospel in culturally relevant ways with every people group on Earth.
