ISSUE 6

We had several events in the Month of May – starting with our Mother's Day service – we appreciate our Moms, Grandmothers, Great-Grandmothers. Our thanks to Cody and other men who picked up the flowers for our Moms. The flowers were presented at the Sunday service and enjoyed by all our Moms.

Greg Pruitt was here in May to teach us more about Pioneer Bible Translators and to advise what an impact our support has on that ministry.

Burger Sunday was this past Sunday (May 28<sup>th</sup>) – Thanks to Dan Walton and his team of helpers, Justin Burkholder, the Klines, the Reynolds and our thanks to anyone who stayed behind and helped with the clean-up. We could not enjoy these type festivities without everyone's help and support.

We hope to get the Ed Building completely repaired and useful in the next 3-4 weeks. For those of you who don't know, a toilet supply line broke and flooded the building. It ruined some drywall in both the upstairs and down. We have to replace carpet, install vinyl flooring, have the drywall repaired and painted now that the building is totally dried out.

We have a workday scheduled for June 17<sup>th</sup> at 9:00 a.m. Join us for a few hours of work. There is a job for everyone.

Father's Day Pizza Party, June 18<sup>th</sup>, after the morning service. Please invite guests!

On Sunday Evening I am teaching a class on "How to Apply the Bible to Your Daily Life!" If you have ever struggled with reading the Bible and not knowing how to apply it to yourself you need to join us each Sunday evening at 6:00-7:00 p.m. (Snacks served at 5:50 p.m.)

What if God answered all your specific prayers this week exactly as you asked Him? Would anything radically change? I think that too often we pray little child prayers - "God bless Mommy and Daddy and Grandma and Grandpa." Grownups need to pray for big things! "God, please give strength and endurance to our Missionary Rana Samuel in India" or "Help the young people who work at translating the Bible into other languages that necessitates the translators living in very difficult places and especially help those who are raising children under harsh conditions." Will you pray without ceasing for those who are advancing the Gospel around the world?

See you Sunday.

## VERSE OF THE MONTH

"So then, just as you received Christ Jesus as Lord, continue to live in Him, rooted and built up in Him, strengthened in the faith as you were taught, and overflowing with thankfulness." Colossians 2:6-7

## QUOTE OF THE MONTH

Jesus Christ is the head over every power and authority, and He is more powerful than sorrow, gloom, fear, insecurity and the need for approval. It is important that we tell ourselves daily, "I find my personhood in the Lord Jesus and not in other people, not in success, relationships, ideal circumstances, or the stars." Then tell the Lord triumphantly, "Thank you for giving me fullness in You."

For a year and a half, Joel and Marilyn have been ministering the Pathong Tribe. This group of people are refugees located in Thailand. The mission has started regular worship services and Sunday School for the children. The tribe had its first Christmas service in 2016, and two people were baptized.

Summer is here and that means it's time for the youth to take some trips. June 18-23 is our CIY conference for middle schoolers in Oklahoma. Last year the students had a really good time and we are excited to be going back. We ask for prayers of safety on our trip as well as open hearts to receiving God's message during that week. Also, if you're interested in our VBS for elementary kids, it's July 9-13 and you can register your kids now.

## MISSION CORNER:

### North Burma Christian Mission

North Burma Christian Mission (NBCM) plants churches, runs orphanages, and operates schools in Southeast Asia. While it began its missionary efforts in Burma, NBCM has since expanded its mission to include Thailand.

Mission leader Joel Khopang and his wife Marilyn regularly travel through the Thailand and Burma regions to spread the Gospel through their music ministry, teaching, and through the edifying and encouraging of their planted churches and schools.

More recently, Joel translated the Bible into the Anung language, the tribal language he grew up with. The mission had a dedication ceremony where the Bible was presented to a new Anung church in Burma. Please keep this new church in your prayers.
