SEPTEMBER

VOLUME 25
ISSUE 9

We have a change coming to Sunday evening Bible Study. I think it is one that all of you will be interested in. Lee Strobel is a name familiar to many of you through his "Case for Christ" book, the best seller that came from Strobel's effort to prove the Bible was unreliable and that Jesus wasn't really raised from the dead. Strobel wound up proving the opposite and he became a very ardent believer and Christian author.

Beginning September 9, we will watch three amazing and powerful videos: "The Case for a Creator" (Sept 9); "The Case for Faith" (September 16) and; "The Case for Christ" (September 23). Believe me, you will not want to miss these videos that will strengthen your faith and give you answers to critics' questions.

Beginning September 30, we will begin the six-lesson series, "Making Your Case for Christ." It is described as "An Action Plan for Sharing What You Believe and Why." This series will help you develop your own testimony as to why you believe the Bible is true and how you can clearly communicate it to others.

Our Sunday evening sessions start at 6:00p.m. with snacks ready at 5:45p.m. so come a little early.

We will begin the video promptly at 6:00p.m. so that we can have time for audience participation afterwards.

These videos may be the best thing you will do for your faith this year.

Join us at 5:45 each Sunday evening starting Sept 9.

VERSE OF THE MONTH

"I urge then, first of all, that requests, prayers, intercession and thanksgiving be made for everyone – for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness."

1 Timothy 2:1-2

QUOTE OF THE MONTH

"PRAYER is such an important power. In the concentration camp, seven hundred of us lived in a room built for two hundred people. We were all dirty, nervous and tense. One day a horrible fight broke out amongst the prisoners. Betsie began to pray aloud. It was as if a storm laid down, until at last all was quiet. Then Betsie said, 'Thank You, Father.'

A tired old woman was used by the Lord to save the situation for several hundred fellow prisoners through her prayers."

"There may be days of darkness and distress, when sin has power to tempt, and care to press. Yet in the darkest day I will not fear, for 'midst the shadows, you will still be near. Thank you, Lord Jesus."

C O D Y ' S C O R N E R

School is back in session and the excitement of summer is at an end. It's time for young people to get back in the swing of school and everything that is involved with it. Around this time, I recommend several ideas to keep your kid charged and maybe develop a few new habits as they mature in their faith.

- 1st look into starting a bible reading program.
- 2nd challenge them to memorize bible verses.
- 3rd develop a prayer routine. Kids learn best through association, so I encourage you to join them. As for events coming up at the church we have a Laser Quest trip for middle/high school students September 23rd at 5:50pm - \$5.00

MISSION CORNER: *Christ In Youth*

Christ In Youth was founded in 1968
by Bob Stacy.

The first summer conference was held in 1969 at Kiamichi Mountain. The attendees brought tents for sleeping. Now there are two summer conferences, one for high school and one for middle school, which are held at colleges/universities (with state of the art facilities!) at various times and places around the country and throughout the summer. And this year, CIY has become an international mission by having a CIY office in Northern Ireland. There are also other weekend conferences held in the fall, and summer mission trips, as well as summer and winter service projects. A lot has changed in the 50 years since CIY was founded! But one thing has NOT changed – calling students and leaders to boldly live for Christ through the hope of the Gospel message and calling them to Kingdom action.
